

Triple Twister Workshop with Marilyn Foreman of Quilt Moments

Class Description – Advanced Beginner

Create fun and easy pinwheels with simple nine-patch blocks and the Lil' Twister tool. Make scrappy pinwheels with all different fabrics or use just a few fabrics. Anything goes! Pattern even includes option of creating the pinwheels with easy 4-patch kaleidoscopes from a large print fabric (see runner image). Marilyn will also show various other twister quilts and patterns since you will be prepared to make any twister quilt after taking this workshop.

Regular fabric version: 3 fat quarters, (7) 10" squares, or (27) 5" squares
OR

4-Patch Kaleidoscope version: 1 fat quarter for "plain" pinwheels and 4 full lengthwise repeats of a medium to large print fabric (1-1/3 yards minimum to include backing or you will need separate 1-1/3 yds for a backing). Print fabric will be cut into identical strip sets & made into 5" 4-patch kaleidoscopes so the scale of the motifs in the fabric don't need to exceed 1" to 2" in diameter.
